# PLEASE REGISTER NOW SO EMERGENCY INFORMATION CAN BE FORWARDED TO YOU

Dear Resident,

The Raritan Police Department is currently utilizing a notification service which allows you to access important valuable community information when you need it.

Our agency will create and publish messages through the Nixle Community Information Service. Nixle will then deliver this information to you instantly by a cell phone text message and/or email. Notifications can also be accessed online at Nixle's web site

[www.nixle.com](http://www.nixle.com).

Messages may include emergency road closures, planned traffic construction and special event notifications as well as other relevant safety and community event information. During Hurricane Irene 2011 and Hurricane Sandy 2012 numerous notification messages were sent via this Nixle system.

Messages are targeted to specific geographic regions. If your address falls within this geographic area - you'll receive the message. Add as many locations as you'd like from across the country.

The service is reliable and there is no charge to sign up. There is NO spam and no hidden cost; however, your usual message and data rates will apply. YOU decide what information you want to receive and how you want to view it, whether it is via your cell phone, email, or just simply over the web.

Please register now at the company's main web site: [www.nixle.com](http://www.nixle.com).

We also ask you to forward this information to all of your neighbors and friends in the community, encouraging them to register. New forms of communication continue to evolve and we believe this service will allow us to keep you informed in the most convenient, reliable way possible.
