

**Slave Records that can be still found in
The Somerset County Clerk's Office
The List Here is Sorted by "Slave Owner's last name"**

This list below was compiled in 1912 and at the time printed in
the Somerset County Historical Quarterly Newsletter.

There are two types records - "Slave Birth Records" and "Slave Freedom" Records.

While the name of the baby was usually on the birth record
the compilers of this list did not record the name.

In the 1800s Somerville, Raritan, and Bound Brook were villages within Bridgewater.
